

Route Description

By car

Due to limited parking space in the city centre, we recommend parking in the Springweg garage. The easiest to find it would be to use a route guidance system or an online planner (such as Google Maps), however we would be glad to supply a tailor-made route description if so desired.

By foot

From the Springweg garage (point A on the map)

Leave the garage by the rear exit, and walk straight through the archway towards the canal (Oudegracht). Facing the canal, cross the bridge on your left hand side, make a left, and take the first lane on your right. In 50 metres you have reached the Dom Square.

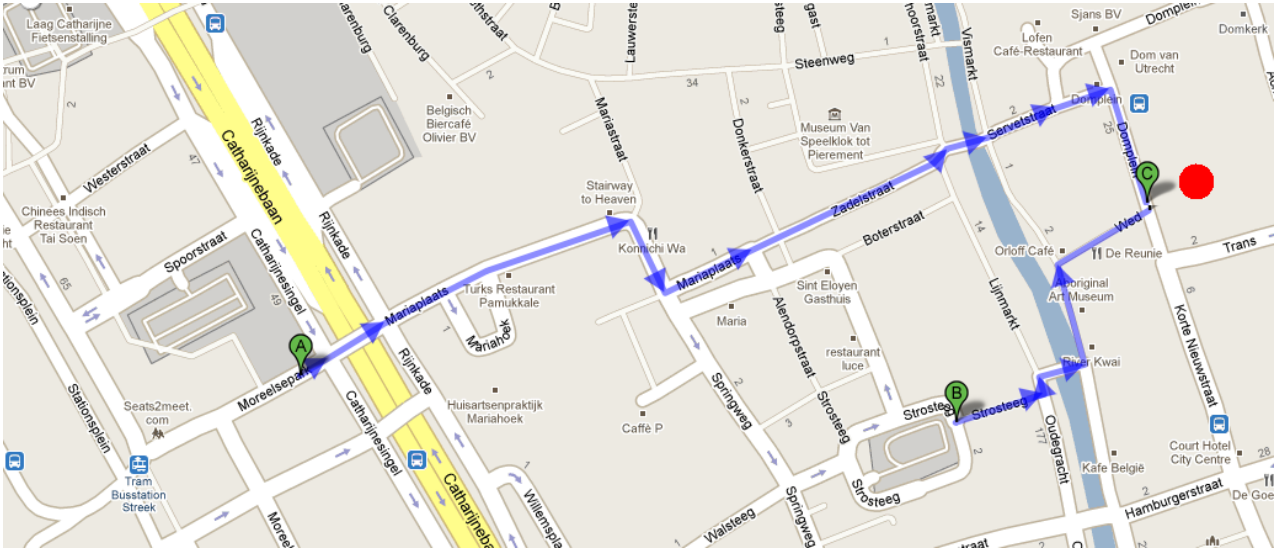

From Utrecht Central Station (point B on the map)

Walking from Utrecht Central Station to the Dom Square will take approximately 15 minutes. Leave the station by entering the Hoog Catharijne shopping mall, head for the 'centrum' exit. After 150m make a left towards the 'Godebaldkwartier' and follow the signs that read 'Trindenborchkantoren'. Once reached, take the escalator down and directly make a left. Cross the Catharijne-overpass and keep walking straight ahead until you reach the 'Mariaplaats'. Make a right, and directly after that, a left. You should now be walking into the 'Zadelstraat', headed straight for the Dom Tower. Walk through the tower's archway to reach the Dom Square. The Academy Building will be on your right.
